

ASTROEXPEDICIÓN - ASTRONOMICAL EXCURSION .

Cajón del Maipo. / Saturdays, March 5, 12, 19, 26 of 2016.

Introduction

Fundación Astromanía and Actualidad Espacial farewell this summer with a series of Astronomical Excursions on every Saturday of the month of March, 2016. The activities will be developed in San José de Maipo, Chile. We have created this experience to be an adventure in astronomy, merging science education and the contemplation of nature. Our main goal is that each Astronomical Expedition to be an unforgettable new experience.

On the event

The Astronomical Excursions will take place every Saturday of March (5, 12, 19 and 26) of 2016, starting at 20:00 and finishing at 01:30 (am), at the touristic Astronomical Observatory “Roán Jasé”, located in San José de Maipo (kilometer 43, *Camino al Volcán*). We will enjoy a beautiful dark sky, far from the city lights, and observe several astronomical objects, among them: star clusters, nebulae, planets and our own natural satellite, the Moon.

There will be specialised equipment and personnel for this event. Some of the activities for you to enjoy will be a buffet dinner, astronomical viewing with telescopes, astrophotography and contemplation of the night sky.

On the call and bookings

The call is extended to everyone, to enjoy this astronomical adventure, no previous knowledge needed. The cost for this experience is \$40,000 CLP (forty thousand Chilean pesos) per person, with a limited capacity of 20 (twenty) people. The fee includes the trip by van from Plaza Italia in Santiago (8:00 pm) to Roan Jasé in Cajón del Maipo, and the return trip to arrive back in place at 01:30 am; it also includes a buffet dinner, astronomical observation, a mobile planetarium show and an “excursion patch” acknowledging participation in the event.

This astronomical excursion can be suspended due to weather, due to the nature of the activity. If that is the case, a notification will be sent via e-mail at least 24 hours before departure time.

Bookings will be reserved upon proper registration using our online form (www.astroexpedicion.cl) and full payment of the fee via electronic bank transfer. If the organisation decides to cancel the event due to *force majeure* (weather or others), a full refund of the paid fee will be issued.

If a participant with a reserved a place decides to cancel, this must be informed via e-mail at least 3 days before the activity. Only in that case the refund will be 100%. Otherwise, the organisation will only refund 25% of the paid fee, \$10,000 CLP (ten thousand Chilean pesos).

Transfers must be made to the following bank account:

Bank: BancoEstado

"Cuenta corriente" number (checking/current account): 552496

Rut: 15336960-7

extended to Juan Pablo Méndez.

Please be sure to send your bank receipt to contacto@astroexpedicion.cl

Feel free to address any inquiries to: contacto@astroexpedicion.cl

Happy clear skies!
